

KNOW THE SOLOMON MINISTRIES DIFFERENCE

Below are 5 significant differences between the Godly mission of Solomon Ministries and its competitors including Guidestone.

1. Solomon Ministries provides help and assistance in financial planning aspects no matter how much the pastor has to invest. There is no minimum requirement.
2. Solomon Ministries provides faith-based investments vetted against sin investments such as abortion, pornography, LGBTQ, etc.
3. Solomon Ministries provides guaranteed safe retirement planning with no stock market losses.
4. Solomon Ministries does not charge the church for the special plan documents approved by the IRS. These plan documents costs approximately \$4000.
5. Solomon Ministries also does not charge for the administration of the plan.
