

# PASTOR GRATEFUL FOR PROTECTING INVESTMENTS

Solomon Ministries founder Steve Sanders spoke and met with pastors at the South Carolina Pastor's Meeting. Among those he talked to, a pastor was worried about his retirement accounts and wanted his help moving his funds from Guidestone, a Christian based financial services company. At this point in his life, he wanted to put his money in a safe place while getting a reasonable rate of return with no risk.

The pastor's retirement was invested in mutual funds provided by Guidestone. Mutual funds can be and in this case was a high risk financial vehicle. Steve assisted the pastor in transferring his investments. The pastor's retirement is now all guaranteed insured with a good rate of return.

The pastor now refers to Steve as his financial guru and considers him as personal friend.
